Announcement

Chicago Steel Hires New Operations Manager

Mr. Michael (Mike) Jansen has joined Chicago Steel Gary, Indiana as the Manager of Operations.

Mr. Jansen comes to Chicago Steel with 25 years of Operating, Mechanical and Electrical experience starting with Metro Metals back in the 1985.

Over the course of the past 25 years Mike has developed knowledge in GE Drive systems, North American Guide Systems, Numerous PLC systems as well as many other Operating and Mechanical areas within the various operations.

Mr. Jansen has extensive knowledge in the Tension Leveling, Slitting, and Cut to Length processes.

Over the last 10 years of Mike's career he has focused on the Operational and Directional side of the business for numerous facilities.

We are excited about Mike becoming part of our team. We believe Mike's involvement will continue to advance Chicago Steel in the development of processing services for the metals of tomorrow while enhance operating efficiencies of today.

Should you need to reach Mr. Jansen you may do so at the following:
